Internal Finance Accountant

📍 Limerick (Ireland) or Barcelona (Spain) - Hybrid (office/home)

ABOUT US & THE POSITION

Amesto Global is a partner-led boutique firm offering bespoke solutions to companies expanding both domestically and internationally in Europe and North America. We are client focused and embrace technology in all aspects of our work practices. We work hard to automate our processes as much as possible to deliver reliable and timely information to our clients.

Due to our continuous growth, we have a great opportunity to join our team in either Barcelona, Spain or Limerick, Ireland as an *Internal Finance Accountant*.

We are seeking a qualified accountant with at least 3 years of experience, ideally gained in a multinational or similarly complex environment. This is a fantastic opportunity to broaden your accounting experience across multiple jurisdictions including the UK, Ireland, US and Spain.

You will play a key role in maintaining the day-to-day accounting of our multi-country Group entities, ensuring in-country statutory compliance, supporting the production of monthly management accounts, managing invoice processing, vendor relationships and client queries. The role also offers exposure to strategic projects such as the implementation of new consolidation software and the development of a purchase order (PO) process for key suppliers.

This role will report to our *Director of Finance & Operational Excellence*.

KEY RESPONSIBILITIES

- **Monthly Financial Reporting:** Support the preparation and analysis of monthly management accounts across UK, Ireland, US and Spanish entities (the Group), ensuring accuracy and timeliness.
- **Maintaining Day-to-Day Accounting, including Balance Sheet Reconciliations:** Prepare monthly balance sheet reconciliations for all Group entities, identifying and resolving discrepancies proactively.
- **Departmental P&L Analysis:** Prepare and analyse departmental profit and loss statements, providing insights to support Group-level financial decision-making.
- **VAT Compliance:** Assist in the preparation and submission of bi-monthly and quarterly VAT returns for the Group, ensuring compliance with local tax regulations.
- **Year-End Financials:** Contribute to the preparation of year-end financial statements for the Group, including audit support and documentation.
- **Billing & Revenue Assurance:** Oversee the monthly billing cycle, reviewing customer invoices for accuracy, completeness and timely issuance.

- **Accounts Payable:** Process vendor invoices accurately and promptly, maintaining up-to-date records of financial transactions.
- **Stakeholder Management:** Manage vendor relationships and respond to customer queries with professionalism and efficiency.
- **Systems Implementation:** Support the rollout of new consolidation software, including data migration, testing and user training, as well other anticipated automation projects.
- **Process Improvement:** Assist in designing and implementing a purchase order (PO) process for key suppliers to enhance procurement controls.
- **CRM/Practice Management System Maintenance:** Help maintain the company's CRM/Practice Management System, ensuring data integrity and usability.
- **Ad Hoc Projects:** Participate in cross-functional finance and operational projects as required, contributing to continuous improvement initiatives.

QUALIFICATIONS & SKILLS

- Qualified accountant (ACA, ACCA, CIMA or equivalent).
- Minimum of 3 years' experience, preferably in a multinational or complex business environment.
- Strong understanding of financial reporting and accounting principles.
- Experience with multi-entity and multi-currency accounting is highly desirable.
- Proficient in accounting software and Excel; experience with consolidation tools is a plus.
- Excellent communication and interpersonal skills.
- Proactive, detail-oriented and able to manage multiple priorities.
- Excellent professional command of English, with a preferred 2nd language.

WHAT WE OFFER

- Competitive salary and benefits.
- Exposure to international accounting practices and jurisdictions.
- Opportunity to contribute to process improvements and system implementations.
- Collaborative and supportive team environment.
- Career development and learning opportunities.
