talent.

Accounting Technician

📍 Limerick, Ireland - Hybrid

ABOUT US & THE POSITION

Amesto Global is a partner-led boutique firm providing tailored solutions to companies expanding both domestically and internationally across Europe and North America. We are committed to a client-focused approach and leverage technology in every aspect of our work. By automating processes wherever possible, we ensure the delivery of accurate, timely, and reliable information to our clients.

Reporting to the *Accounting Manager*, the **Accounting Technician** will play a key role in delivering accounting and financial reporting services to clients in Ireland, Europe and UK. The successful candidate will have strong technical accounting experience and will be comfortable working across multiple clients, systems, and industries. They will be responsible for maintaining accurate financial records and preparing some accounts to review stage.

KEY RESPONSIBILITIES

- Manage accounts payable functions for multiple clients
- Processing sales orders including liaising with customers and the warehouse team to coordinate fulfilment and address any issues that may arise
- Manage bank reconciliations and supplier payments across multiple client accounts
- Preparation and filing of VAT returns
- Posting and reviewing journals and adjustments
- Maintaining accurate general ledger records
- Assisting in the preparation of management accounts where required
- Review and completion of monthly balance sheet reconciliations
- Working with multiple accounting software packages
- Supporting month-end and year-end processes
- Liaising with the Accounting Manager and other team members regarding client deliverables
- Maintaining strong attention to detail and meeting deadlines across a portfolio of clients
- Ad-hoc duties as required

QUALIFICATIONS & SKILLS

Essential

- Qualified Accounting Technician with 5+ years' experience in a similar role
- Strong experience with:
 - Accounts payable processes
 - Sales order processing
 - Bank reconciliations
 - VAT return preparation
 - Journal postings
 - Preparing accounts to review stage
- Experience working with multiple accounting software packages

- Highly organised with excellent attention to detail
- Ability to manage work across multiple clients simultaneously
- Strong communication skills

Desirable

- Experience in an accounting practice or outsourced accounting environment
- Experience working with international clients

WORKING ARRANGEMENT

- Hybrid working arrangement with a base in the Limerick office
- Collaborative team environment within a growing outsourced accounting firm

IDEAL CANDIDATE

The ideal candidate will be a detail-oriented and experienced Accounting Technician who enjoys working in a dynamic environment supporting multiple businesses. They will be comfortable working with different accounting systems, have strong technical accounting skills, and take pride in producing accurate financial information for review.

WHAT WE OFFER

- Flexible Working Hours: Based in Limerick, we offer flexibility around start and finish times to support work-life balance.
- Collaborative Culture: We foster a strong team environment, working closely with management and colleagues to build trust and maintain lasting client relationships.
- Diverse Client Exposure: Opportunity to work with a varied portfolio of clients across multiple industries and international markets.
- Transparent & Competitive Salary: Salary range shared upfront and negotiable based on experience.

- Hybrid Working: A flexible hybrid model with a minimum of three days per week in the office, two days remote.
- Generous Annual Leave: Competitive holiday allowance to support your wellbeing.
- Pension Scheme: Company pension plan with employer-matched contributions.
- Private Health Insurance: Comprehensive healthcare coverage.
- Immediate Start Available
